

## Skill development, motivation and ... a retreat weekend for the lawyers!

Our firm organized an exciting retreat weekend for the legal team that aimed in encouraging the lawyers to enforce internal ties, discuss internal matters, develop their skills further and have fun with the colleagues. The retreat weekend took place on the 24<sup>th</sup> and 25<sup>th</sup> February 2018 in Elysium Hotel in Paphos.

During the meeting, Chief Operating Officer, Mrs Yvonne Solea, presented the firm's SWOT analysis based on internal survey results and Senior & Managing Partner, Mr Stavros Pavlou provoked discussions around the daily operational and organizational matters, in order to enhance the working environment and tackle the challenges of today's legal industry.

Furthermore, our special guest from Russia, Mr Yuriy Mitrofanov, Deputy CEO of April Capital joined the team and shared his invaluable experience working with law firms and especially Cyprus law firms, from an In-house lawyer's perspective.

Finally, during the evening everyone enjoyed traditional Cyprus food (meze!) in a renowned tavern in Kouklia village, further to their weekend stay in one of Cyprus' luxurious hotels.
