

# Cyprus corporations investing in Russia

**Corporations operating in Cyprus and investing into Russia require local support and expertise in the handling of company administration and compliance matters. PwC provides such a support.**

## **Our value proposition**

We offer a personalised service through client dedicated teams, becoming our clients' trusted advisors. Our teams include Russian speaking professionals enabling communication in Russian for clients who prefer to do so.

We make extensive use of technology which helps us provide a high quality service, in an efficient and cost effective manner.

Our service delivery is integrated, as it brings together expertise covering company administration, tax, VAT, accounting, legal, advisory services and private wealth management services, providing a true one stop solution.

Our clients draw comfort from working with PwC, the leading organisation of its kind in the world, and from the integrity, reliability and security that it brings with it.

Our strong international network combined with our local expertise, enable us to support our clients' needs in all their countries of operation.
