Dear friends and colleagues,

Today, we communicate in more diverse ways than ever before. We continue to keep in touch, to be informed and much more to prepare. This is the purpose of inviting you to participate in this particular webinar. As legal challenges are constantly evolving, I am sure that the analysis of the topics of the present webinar and the exchange of views will be a very positive experience for all of us.

Speakers:

ANDREAS PARPAS

Lawyer – Associate

Mr. Andreas Parpas holds an LL.B from the University of Leicester and an LL.M from Queen Mary University, while he has also completed the Legal Practice Course (LPC) at the University of Law, Bloomsbury. He is member of the Cyprus Bar Association and member of our law firm since 2016. Mr. Parpas is Associate and member of four Departments of our law firm, (i) Litigation & Arbitration, (ii) Banking & Finance, (iii) Restructuring, Receivership & Liquidation, and (iv) Real Estate, Immigration & Citizenship. He specializes in practice areas of cross-reference and mutual interest between those departments, especially corporate disputes, real estate and asset finance and debt restructuring.

GEORGE ANDREOU

Lawyer – Associate

Mr. George Andreou is operating under three departments: (i) Real Estate & Immigration, (ii) Corporate & Commercial and (iii) Innovation & Blockchain. He specializes in practice areas of drafting, negotiating and reviewing of all types of corporate documents and execution of international transactions on international and domestic projects. He involved, amongst others, in complex share purchase agreements, due diligence reports and provision of legal opinions on various corporate law matters.

GEORGINA PRIOVOLOU

Lawyer – Associate

Ms Georgina Priovolou holds a Bachelor of Law (LLB) from Queen Mary University, London. She completed a postgraduate degree in Intellectual Property Law (LLM) in the University of Edinburgh and holds a diploma in Art Law from the Institute of Art Law in London. In 2020, she joined our law firm as a trainee lawyer, in September 2021 Ms Georgina was admitted to the Cyprus Bar Association and joined our Athens office as an Associate in 2022.

Ms Georgina is currently based in our office in Athens, where she advises Cypriot, Greek, and international clients. Ms Georgina operates in three departments: (i) Banking & Finance, (ii) Corporate & Commercial and (iii) Innovation & Blockchain. Her work involves the analysis and drafting of various corporate and commercial transactions including Shares Purchase Agreements, Shareholders Agreements, due diligence, and legal opinions. She specialises in Intellectual Property Law and Art related disputes and taxation. Georgina is also involved in projects around Blockchain technologies, Asset Tokenisation, and the legal services within the Film industry.
